## ***PUBLIC OPEN HOUSE***

to discuss the

## ***INDIANA AVENUE CORRIDOR***

The Village's rail and highway system is no doubt an asset to the community. However, many residents, businesses, and motorists can attest to long delays caused by the numerous rail/highway conflict points along Indiana Avenue. IDOT recognizes this issue and has funded a traffic study for Indiana Avenue (between 146<sup>th</sup> Street and 136<sup>th</sup> Street) to develop potential solutions to minimize the rail/highway delays and keep traffic moving. We invite you to come and share your ideas at a public open house. IDOT and Village staff, as well as their consultants, will be available to gather input and answer questions. There will be no formal presentations.

**When:** November 16, 2006 4:30 p.m. to 6:30 p.m. (open house)  
**Where:** Riverdale Manor Senior Center  
14422 Indiana Avenue  
Riverdale, Illinois

The following information will be available at the open house:

- Exhibits, including traffic volumes, railroad volumes, and surrounding land use
- Study timeline
- Public comment forms

You can also pick up a comment form at the Village Hall. Please submit any written comments by December 1, 2006 to:
